

Site Establishment - Western Sydney Airport Visitor Centre

Dear neighbour,

Site establishment works for the Western Sydney Airport Visitor Centre will begin on 21 November 2018. The Visitor Centre will serve as an education hub and Project Office for Western Sydney Airport. This work will continue through to late December and recommence in early January 2019.

Upcoming works include:

- Detailed excavation and drainage work
- Installation of temporary fencing
- Construction of internal and circulation haulage roads
- Construction of stormwater drainage
- Identification of existing services and utilities
- Removal of topsoil and vegetation
- Clearing and ground preparation on Eaton Road
- Delivery of earthmoving equipment and establishment of site office.

All works are being carried out by Watpac Construction and are expected to be completed mid-2019.

Site compound

The Visitor Centre site is on the southern end of Eaton Road (see map overleaf).

Traffic changes on local roads

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Construction vehicles will be using Northern Road and Eaton Road as works are carried out.

Measures will be in place to minimise impacts to you during the work. These include temporary speed zones, traffic controllers and temporary barriers around work areas.

If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

Where are we working?

Eaton Road and Northern Road, Luddenham

What are the construction hours?

7am to 6pm Mon to Fri
7am to 5pm Sat
(if required)

No work will be done on Sundays or public holidays without prior notice.
