Early earthworks

September 2019

Elizabeth Drive and Badgerys Creek Road, Badgerys Creek

Dear neighbour,

Early earthworks for Western Sydney International are continuing with the construction of a new, realigned section of Badgerys Creek Road between Elizabeth Drive and Longleys Road as well as cut and fill of around 1.8 million cubic metres of earth. This work includes:

- construction of a new roundabout and civil works on Elizabeth Drive
- bulk earthworks
- vegetation clearing
- installation of asphalt and concrete pavements
- new stormwater drainage installation
- adjustment and connection of utilities

Work will be carried out within the project site and on either side of Elizabeth Drive during standard construction hours. Please see the map overleaf for more detail.

Elizabeth Drive roadwork

Work to build a roundabout at the intersection of Elizabeth Drive and the new Badgerys Creek Road alignment is continuing. Throughout September, activities will include minor traffic adjustments and roadworks.

Traffic changes

Temporary traffic changes such as intermittent stoppages and varied speed limits will be in place to ensure the safety of motorists, residents and workers. Please keep to the speed limits and follow the direction of traffic controllers and signs.

As the Project site area is separated by Badgerys Creek Road, any plant or machinery crossing the Road is carried out under strict traffic control.

Traffic will be directed onto the new Badgerys Creek Road alignment once completed.

Sandstone deliveries

Sandstone deliveries from the Sydney Metro Project will continue to the stockpile delivery area off Elizabeth Drive over the coming months.

Early earthworks are being carried out by the CPB Contractors and Lendlease Joint Venture (CPBLL JV) and are expected to be completed in 2020.

We look forward to working closely with our neighbours as we work to deliver Early earthworks for Western Sydney International and will continue to update you as work progresses with the construction of the Airport.

Badgerys Creek Road Realignment at Elizabeth Drive, August 2019

LEGEND

-  Temporary roundabout
-  Site compound
-  Badgerys Creek Road re-alignment
-  Civil works and utilities adjustments
-  Sandstone stockpile

 **Where are we working?** Elizabeth Drive and Badgerys Creek Road

 **Standard construction hours**
 Mon to Fri 6am – 7pm
 Sat to Sun 7am – 6pm
