

**Western
Sydney
Airport**

Early earthworks

August 2019

Elizabeth Drive, Badgerys Creek

Dear neighbour,

Early earthworks for Western Sydney International are continuing with the construction of a new, realigned section of Badgerys Creek Road between Elizabeth Drive and Longleys Road. This work includes:

- construction of a new roundabout on Elizabeth Drive
- bulk earthworks
- bridge works
- vegetation clearing
- asphalt works
- civil works and trenching on Elizabeth Drive
- sandstone delivery
- utilities relocation

This work will be carried out during standard construction hours. Please see the map overleaf for more detail.

Upcoming out of hours work

To minimise impacts to motorists, some night work will be required on Elizabeth Drive. This work will take place over multiple shifts from **12 August to 31 August 2019, between 6pm and 6am**, weather permitting. Activities will include trenching and civil works. If work cannot be carried out during this period, changes will be displayed on electronic message signs.

Traffic changes

Temporary traffic changes such as intermittent stoppages and varied speed limits will be in place during works to ensure the safety of motorists, residents and workers. Please keep to the speed limits and follow the direction of traffic controllers and signs.

As the Project site area is separated by Badgerys Creek Road, any plant or machinery crossing the Road is carried out under strict traffic control.

Traffic will be directed onto the new Badgerys Creek Road once completed.

Sandstone deliveries

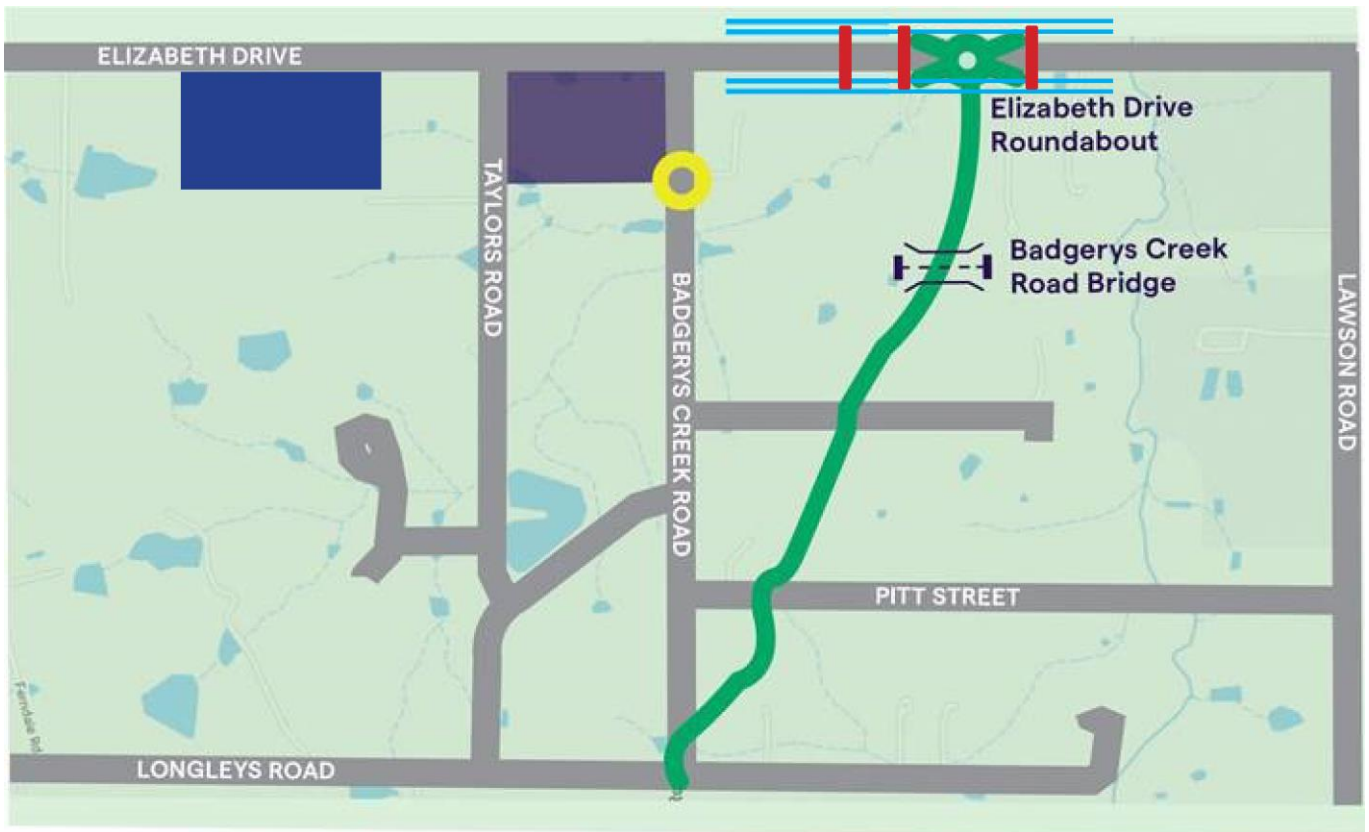

Sandstone deliveries from the Sydney Metro project will continue to the stockpile delivery area off Elizabeth Drive over the coming months.

Early earthworks are being carried out by the CPB Contractors and Lendlease Joint Venture (CPBLL JV) and are expected to be completed in 2020.

We look forward to working closely with our neighbours as we work to deliver Early earthworks for Western Sydney International and will continue to update you as work progresses with the construction of the Airport.

Badgerys Creek Road Realignment at Elizabeth Drive, July 2019

Map not to scale

LEGEND

-  Temporary roundabout
-  Site compound
-  Badgerys Creek Road re-alignment
-  Civil Works
-  Sandstone stockpile
-  Trenching

Traffic control
