

Fencing installation - Western Sydney Airport

Dear neighbour,

Work is continuing around the Western Sydney Airport site boundary with temporary construction and permanent airport fencing installation along the new section of The Northern Road between Mersey Road and Eaton Road and, Elizabeth Drive. This fencing will provide a delineation between the Western Sydney Airport site and the public.

Upcoming works include:

- delivery of materials to site
- site surveying
- vegetation clearing
- excavation
- installation of concrete footings and temporary fencing

Please see map overleaf.

All works are being carried out by JNC Group who are ensuring the personal safety of all their workers at this time.

Site compound

Installation of fencing around the Eaton Road site office and Experience Centre has been complete.

Traffic changes on local roads

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Construction vehicles will be using the new alignment of The Northern Road between Mersey Road and Eaton Road, and Elizabeth Drive as we carry out these works.

There will be measures in place to minimise impacts and we will make every effort to minimise disruption to you during the work. These include temporary speed zones, traffic controllers and temporary barriers around work areas. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

We will continue to update you as work progresses with the construction of the Western Sydney Airport. If you have any enquiries about this work, please call 1800 972 972 or via info@wsaco.com.au.

Western Sydney Airport is committed to achieving our Aboriginal business participation target of 3%. JNC Group is proudly Supply Nation approved and a supplier to Western Sydney Airport.
